

# Colin Cause Network Bulletin

## April 2026

Dear Network confreres  
Greetings from Sydney. I hope these Easter days find each of you happy and well.

### This short Bulletin...

... is simply to update you on our membership and alert you to the messages soon to arrive regarding our next Zoom gathering. Thank you in anticipation of (a) reading carefully and (b) responding as needed.

### A running start

For a positive start to our session please consider making time to check the video prepared for the General Chapter. I watched it myself yesterday and was surprised with my own response. You'll find the link at the foot of the Colin website's Network page:

Easter blessings until we meet soon, dear confreres. Alleluia!

*Ron Nissen Sm.*

### Gaston Lessard RIP

The Society of Mary has lost one of its most outstanding Colinian scholars with the death of Gaston on Mar 28.

I am personally indebted to Gaston for his generous availability, wise counsel and unfailing encouragement in support of our work on the Cause of Fr Founder.

May he rest in peace.
