Web updates: Themes; Writings

Dear CCN confrères

## Themes

You'll see this menu item under 'Resources' on the Colin website. I have uploaded several new resources:

- '*Fr Colin's Ten Commandments for Missioners*' compiled by Craig Larkin. In English, Dutch, French, German and Spanish.
- '*Jean-Claude Colin, Saintly Educator for his times and ours*'. Hot off the press, Leon Olszamowski has produced this fine article -- and is now working on another on the Cause.
- '*Marist Way*' (leaflet with twelve themes, drawn mostly from the work of François Drouilly. In English, Dutch, French, German, Spanish and Vietnamese.
- '*Jean Coste speaks to Colin*'. A talk at Monteverde in 1990... well worth a read.

## Writings

This is new page reflects the fine work of Alois Greiler in compiling summaries and indices about the writings of Fr Colin and others' writing about him and Marist themes, mostly published in *Forum Novum*.

It's under the 'Cause' tab: <https://www.jeanclaudecolin.org/cause/writings>

Enjoy!
