Our first Zoom – a summary

Dear CCN confrères

Here's a summary of our first Zoom session, Friday, Aug 07:

Present

- All members were present, across many time zones, except Arnaldo, travelling in Spain, having advised us of this likelihood some weeks ago.
- David, Leon and Yvan were up bright and early.
- Kevin stayed up way past his bed-time.
- Ben took time out from a break at Moncalieri.
- It took ca 30 minutes for all to connect.

Introductions

- There were introductions and reunions all round.
- Each man shared a little about his background, present situation and feelings about being part of the CCN.

Colin website

- Through screen sharing, Ron pointed to a couple of features of the Colin website and urged all to spend time exploring the site fully.
- One new feature was the use of 'flipbooks'.
- The language options are linked to the 'Resources' box.
- Link ("... ") noted at the top of the Network page to CCN memos at the foot.

'Colin Day'

- Nov 15 was proposed as a 'Colin Day' towards which we can work in spreading the story of Fr Founder.
- We each share the task of answering the question 'Jean-Claude who?'

Finance

- Discussion about local funding for hard copies of resources.
- Suggestion that local units be asked to budget for Colin Cause promotion.
- Ben will discuss the matter with the GA.

Next Zoom session

- Planned for 6 weeks' time: Fri, Sep 18.
- This will be 8 weeks ahead of Nov 15.
- Same time slots presumed.
- Ron will re-send the Zoom link in a 'day-before' reminder email.

Ending

- Zoom concluded after ca 90 minutes.
