

## *Hannah Bennett ... an update*

October 2019

Dear Confrères

### **Hannah Bennett**

Greetings from Sydney... and thank you for your continuing prayers for the healing and support of Hannah.

Hannah contacted me in early October to say:

Hi Fr Ron,

How are you? Summer came with a big hit today didn't it!

I just wanted to let you know how I've been going recently.

Since a healing Mass I attended just under three weeks ago by Fr. Andrew Kim, I have shown so much improvement. I've had such little pain and feel I've got so much more energy!

I've been quite overwhelmed by how well I have felt. I can't really remember the last time I was so pain free. I know it is not yet a cure, and the pain will likely return, but I do believe Fr. Colin is hearing our prayers. So thank you. Thank you all so much.

Best wishes,

Hannah
