Mar 2021, from Auckland, NZ, Fr Justin reported:

I have made a good recovery, and am just very grateful for the prayers of many through the intercession of Fr Colin.

Previous updates

Nov 2020:

I am much better and feeling very well. I have not needed treatment for the past six months and am getting back into more work in recent times.

Jun 2020:

'... further health news, which continues to be good. I had a consultation with the haematologist on 17 June, who was able to report that the chemo- and immunotherapy treatment has continued to work well and further improvement can be expected.

I am getting back into more normal activities.

I am extremely grateful for the support of the prayers of so many and join my own on behalf of the others for whom we are praying through the intercession of Fr Colin.'

Previously:

New Zealand Marist, Fr Justin, was diagnosed with Non-Hodgkin's Lymphoma during 2019.

Through the intercession of Jean-Claude Colin we seek the graces of successful treatment, peace of heart, confidence and patience for Fr Justin.
