

## The Cause / Seeking Graces / The deceased

Some of those seeking graces through the intercession of Jean-Claude Colin, aware of the seriousness of their condition, have sought the blessings of a holy and happy death. For others, those supporting them in prayer have prayed for those same graces.

### Alexia Bourron RIP

Alexia was a staff member of the La Verpillière campus of Saint-Marie, Lyon, France, where she had worked for fourteen years as a Human Resources Manager.

After an initial diagnosis and treatment some years ago, there had been a recurrence of cancer.

The school staff, her family and the Marists of Lyon prayed for her recovery and a spirit of confidence for Alexia. They did this through the intercession of Jean-Claude Colin.

Sadly, on Dec 15, 2020, this message came from M Jean-Baptiste Frondas, *Directeur du site de La Verpillière: Mon père,*  
*Ce mail pour vous informer que notre RH, Alexia Bourron est décédée le 7 décembre 2020. Bien à vous, Jean-Baptiste Frondas*

## Sosaia Vaka SM, RIP

Sosaia was a third year seminarian at Marist College, Suva. Before joining the Marists he was a student at Apifo'ou College, Tonga.

Aged 23, in August 2020 Sosaia was diagnosed with cancerous cannonball lesions in the lung. His confreres prayed for graces for him through the intercession of Jean-Claude Colin.

After a short period in hospital in Suva, he was called to the Lord on the morning of Sep 12, 2020, Feast of the Holy Name of Mary.

A Marist confrere commented: I am sure that Fr Founder saw to it that Sosaia received the necessary graces for the final journey. May he rest in peace.

## Fr Myles Moriarty SM, RIP

Fr Myles (88) was a member of the Marist community, Blackburn, England. In Jan 2020 he was diagnosed with terminal pancreatic cancer, with maybe 4 months to live.

He wrote: 'Prayers greatly appreciated through Jean-Claude! I'm OK and at peace with my situation, but prayers, please.'

Using a specially-prepared [bookmark prayer](#), family, friends and confrères of Fr Myles prayed for the graces of peace of body, mind and soul, and of confidence, even joy.

After a very short final illness and grateful for the prayers of many through the intercession of Jean-Claude Colin, Fr Myles died peacefully on Feb 20, 2020, in Blackburn, UK. May he rest in gentle peace.
